### *Elevate Jacksonville is Growing!*

We proudly support 550 students this year, yet the community need is still much greater. Principals in each of our four Duval County Schools have expressed their desire to add more students due to the success of our program *and* the need within our schools. We want to add one teacher each year to each high school to fulfill this need.

With your help, we can achieve our goals to grow programming in the fall of 2024. Corporate Donors receive the following benefits:

- As a registered 501(c)3, donations to Elevate Jacksonville are 100% tax deductible.
- Grow your corporate social responsibility and diversity profile; promote the partnership with Elevate Jacksonville on your website and with stakeholders and employees.
- Your logo will proudly displayed on our website, through printed signage at Elevate Jacksonville community events and fundraisers, and on Elevate passenger vans that drive throughout Duval County. Logo size and placement will be displayed by tiered level of giving.
- Your organization will be shared as an important benefactor with our rapidly growing social media communities on LinkedIn, Facebook, and Instagram. Custom annual posts by level:
